Liberals Sweep Back Into Power As Governing Body

Unprecedented in Canadian history, the Liberal party Monday swept back into power for the fifth time in a row. Their majority was pared down but not to any great extent.

Unofficial totals at press time showed Liberals had elected 171; Prog.-Cons. 50; C.C.F. 23; Social Credit 15; Independents 3; Ind.-Lab. 2; Liberal-Ind. 1.

In Alberta the Social Credit following 11, a gain of one from their previous number. However, in British Columbia, where they have showed strength in the last two provincial elections, they were able to muster only four seats so far.

C.C.F. made the biggest gain of any party as they took over in Saskatchewan to nullify a former Liberal majority from that province. Labor-Progressive (Communist), who entered 100 in the race, failed to seat a member.

In all it is estimated that more than \$80,000 will be collected by the government in lost deposits. To save their deposit of \$200 a member must put at least half as many votes as the winning candidate.

In Red Deer constituency, F. D. Shaw, Social Credit, was returned for another term. Unofficial count, with 149 polls, heard from out of 153 showed Shaw in the lead with 8,773, followed by Archie Boyce, Liberal, with 4,968; Choate, Prog.-Cons., 3,794; Smith, C.C.F., 1,125; Sarman, Lab.-Prog., 311.

Final party standings in Alberta showed Social Credit with 11, Liberals 4, Prog. Conservatives 2, C.C.F. and Lab.-Prog., none.

FISH AND GAME PICNIC DRAWS LARGE CROWD

The Central Alberta Fish and Game Association picnic held recently at the Raven Hatchery drew the usual large crowd. Families turned up to spend the day picnicking and although many were caught in the afternoon rain they all report a very pleasant time.

Outside guests included E. S. Huestis, fish and game commissioner, Edmonton; H. B. Watkins, superintendent of fisheries, Edmonton; W. H. MacDonald, Calgary; H. Svenson, Calgary; W. Williams, Calgary; G. M. Sparke, Calgary; Howard Film, Kansas City; David Film, California.

Those who won the raffle were: 1, Gordon Murphy, Innisfail, pair of binoculars; 2, G. Pedersen, Innisfail, radio; 3, Tommy Jensen, Olds, waders; 4, H. Roenberger, Olds, glass rod.

Bergen Notes

Due to the excellent haying weather the expected crowd did not show up at the picnic and sale held at the Bergen Hall Wednesday afternoon, under the auspices of the Bergen Ladies' Aid. However, the crowd that did attend had an enjoyable afternoon.

The regular auctioneer was busy making hay so Mr. Fred Thomassen offered his services and with much good humor sold all the articles offered.

The ladies wish to thank all who helped make the picnic and sale a success.

Mr. E. Meckelberg of Calgary celebrated his 88th birthday recently while visiting here with his son and family.

Mr. and Mrs. Trygve Haug and family attended a family gathering at the home of Mr. and Mrs. Ira Gamble in Didsbury on Sunday, the occasion being the 78th birthday of Mr. Gamble.

A line-up of voters greeted Elio Lyle, returning officer, when he opened the polls at the Bergen school Monday morning.

FORMER RESIDENT HONOURED AT SHOWER

The Misses Connie Rupell and Doris Fulkert were joint hostesses at a miscellaneous shower for Miss Florence Walker of Virden, Man., at the home of Mrs. Freda Brillon, Edmonton, on Tuesday, Aug. 4.

Florence was the recipient of many useful gifts, for which she thanked the girls graciously. The room was tastefully decorated with white and blue streamers and the gifts wrapped in the same colors.

After an enjoyable evening spent in games and contests the hostesses served a delicious lunch.

Miss Walker's marriage will take place at the Highlands United Church, Edmonton, Aug. 22 to Mr. Bill Fulkert, formerly of Didsbury and now of Edmonton.

Whether the weather is hot or cold, when bears are supposed to hibernate, this guy never gives in.

SCOUTS ENJOY HOLIDAY

Ten Boy Scouts of the First Didsbury Troop returned home Tuesday after an enjoyable and educational week spent at the Boy Scout Camp at Kaosita Beach, Sylvan Lake.

Plans are near completion for the annual Lions Club Jamboree day, to be held this year on August 19. The day will start with a big parade, with the band of the Belcher Lions Club in attendance. The band will also play at the grounds during the day at 3:30 p.m.

Main attraction for farmers who would like to try their skill at tractor driving, starts at 1 p.m. when those who wish to compete will be briefed on rules and regulations by the committee in charge. For further information it is suggested you check over the posters which have been distributed.

There will be Pee Wee baseball and an exhibition game between Didsbury and Westdale, and in the evening Carstairs and Calgary Mercury, of the Chinook Baseball League will play a regular league fixture here. This game is scheduled to start at 5:30 p.m.

Starting at the same time as the last game, there will be a free show for the kiddies and anyone else who wants to attend in the arena. Children's races will be held during the afternoon. Also for the kiddies, the Peanut Man will be in town all day distributing his wares.

For those who have a garden of note, there is a competition for various garden plants and vegetables. Entries for this should be made to Mr. C. E. Reiber. A list of exhibits appears elsewhere in this issue.

To top the day off, a Giant Bingo Game is planned for the arena, starting at 8:30 p.m. There will also be a special bingo for a cash prize of \$100. With girls will be called until someone has a completely blacked out card.

All in all it sounds like the Lions have planned a day of entertainment for young and old, and it would be a fair idea to keep the date open and plan to attend.

DOG POUND COUPLE CELEBRATE SILVER ANNIVERSARY

Mr. and Mrs. F. Stone of Dog Pound entertained about 100 guests in the hall in an "at home" in observance of their silver anniversary.

Krebs' orchestra was in attendance and played many tunes suitable to the occasion. As it was on Saturday, July 18, dancing came to an end at 11 p.m.

Mrs. Hoffman Jr. and Mrs. Dombroski served lunch at midnight. Mr. and Mrs. Stone, their daughter Audrey and husband, P. B. Van Duzee, Mrs. Stone's brother from Osoyoos, B.C., Monty Van Duzee, Angie Cameron and Mr. and Mrs. Kiel of Madden were seated at a beautifully appointed table, which was centred with a three-tiered wedding cake. The cake was suitably decorated with silver leaves and horseshoes and topped with a cake decoration made up of a miniature bride and groom. They stood under an arch trimmed with silver leaves and flowers and was centred by a tiny wreath surrounding a silver twenty-five.

After supper cigarettes and chocolates were passed to the guests. Mr. and Mrs. Charles Reid were presented with a box of chocolates, being the couple present who had the most years of married life to their credit. They boast of 40 years.

Mr. and Mrs. Hoffman presented Mr. and Mrs. Stone with gifts suitable for wedding anniversaries from the first year to the fifteenth, then the twentieth and finally the twenty-fifth. For the latter, an engraved silver plate and novelty tea strainer were given. Mr. Stone suitably thanked the guests.

Mercury Custom Four-Door Sedan, and bumper grille guards optional at extra cost.

MERCURY CUSTOM FOUR-DOOR SEDAN

Ready...willing...and POWERED to steal your heart!

Look at Mercury — so brilliantly styled, so in tune with the times. Drive Mercury. Starting, you'll sense superb command, as ever willing, smooth V-8 power seeks to do your bidding — so steady going — so economical. Mercury Power Steering* takes over the work of steering. Mercury Merc-O-Matic Drive* takes to your pleasure with the smoothest driving ever. Mercury Power Brakes* assure smooth, straight line stopping with half the effort.

Road Test Mercury — livelier performance, easier handling, smoother riding and safer stopping will win your approval, too. After a Road Test, you'll agree the NEW Mercury is the greatest yet — so ready, so willing and powered to steal your heart.

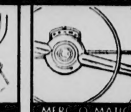

MERCURY OFFERS GREAT NEW POWER FEATURES

POWER STEERING*

POWER BRAKES*

MERC-O-MATIC DRIVE*

Mercury POWER STEERING now available on all models keeps the vital feel-of-the-road — you know you're in full command of the car. When more than fingertip pressure is needed, hydraulic "muscle" take over, make steering 3 times easier. Lets you park in the tight spots with ease.

All-new optional POWER BRAKES require little more than accelerator pressure. The weight of your foot holds car on a hill. Straight line stopping is up to 50% easier — faster, too, because lower, closer pedal permits quicker changing from gas pedal to brake — cuts reaction time.

There's no clutch — no gear shifting — Merc-O-Matic is fully automatic. To go, set lever and step on gas. It gives instant, smooth power response. There's automatic downshift for hill climbing. There's positive, safe control on curves. Merc-O-Matic Drive is available on all models.

*Optional at extra cost.

3-WAY CHOICE IN TRANSMISSIONS: Merc-O-Matic Drive, greatest of all automatic transmissions; or Thrifty Tour-O-Matic Overdrive (both optional on all models); or Silent-Ease Synchronized Standard Transmission.

BOARD
NOTES**

W.K. Snyder,
Field Supervisor

Thistle Control: Every fall toward cutting time weed inspectors are forced to insist that thistle patches be destroyed. The method of destruction is often cutting and burning or at least cutting while the crop is still immature.

Such a practice is very annoying to the farmer and means a lot of futile work on the part of the weed inspector or field supervisor. The patches can be controlled now with an application of 2,4-D. The resultant damage to crop, even if it is in head, will probably be less than the total yield reduction caused by the thistles.

In any case the crop can be allowed to head and mature and the thistles will have been given a definite set back, whereas the cutting and burning does nothing toward eradicating the thistles. It merely prevents them from setting seed.

Check your fields now and hand-spray those small patches of thistles. It will save you time and money in the end.

KILLED BY TRACTOR

Harvey Silbernagel, 16, Belseker son of Mr. and Mrs. Casper Silbernagel, was killed Thursday when the tractor he operated on his parents' farm overturned, pinning him to the ground.

It appeared the tractor had gone into the ditch at a road turn and capsized as it was being driven up the side.

ZELLA NEWS NOTES

(From Our Own Correspondent)

(Too Late For Last Week)

Mr. and Mrs. Norman Mann and three children, of Edmonton, arrived Saturday to spend four days at the home of Mr. and Mrs. Wilfred Spooner.

Miss Winnie Broadhurst of Nanton spent the weekend at the home of her sister, Mrs. E. Waldorf.

Mr. and Mrs. Morgensen of Edmonton were visitors at the John Hansen home over the weekend.

On Monday morning Mr. and Mrs. Morgensen, Mrs. J. Hansen and her father, Mr. C. Larsen motored to Banff for a few days vacation.

Miss Justine Harder, nursing aide at the Macleod hospital, has been holidaying at her parental home.

Doreen Harder vacationed in Calgary the past week.

A devastating hailstorm swept the district Sunday evening, doing extensive damage to crops and gardens. The storm struck about a mile west of the school and continued east into the Westerdale district.

A number of local children are enjoying the vocational Bible school being held at the Moravian Church for two weeks.

CHRISTIAN SCIENCE

"Soul" is the title of the Lesson-Sermon in all Christian Science churches on Sunday, and it contains these enlightening statements from the Bible: "Rejoice the soul of thy servant; for unto thee, O Lord, do I lift up my soul." (Ps. 86: 4). And from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Soul is the substance, life and intelligence of man, which is individualized, but not in matter. Soul can never reflect anything inferior to Spirit." (477: 22-25).

Notes From D.A.

By Hugh McPhail

Several farmers in the Didsbury district have recently said what is the best variety of winter wheat to grow. The following information should be of interest.

The question of whether or not to plant winter wheat, what variety to grow, and when to plant it, is now arising in the minds of many farmers, making these decisions a number of important points should be kept in mind.

Most Southern Alberta farmers are aware that a disease known as streak mosaic has caused severe damage to several winter wheat fields this year. This disease quite likely has also caused damage in previous years but until recently has been unidentified.

The virus which causes streak mosaic must live in green plants and is carried from one plant to another by a small mite. In general, losses have been most severe in fields which have been planted early in August, and which have had near them a source of infection such as green infected plants in the next stubble strip.

When the disease is present, the early date of seeding allows it to spread throughout the crop before winter. To reduce losses due to this disease, farmers should be sure that all green infected plants in adjacent stubble strips are destroyed several days before their winter wheat is planted, and should seed at the latest practical date.

Seeding during the first two weeks in September appears to be the most satisfactory date to satisfy all conditions. This date is usually sufficiently early to obtain adequate fall growth for winter survival and for erosion control and although a later date may be preferable, it is sufficiently late to reduce losses due to streak mosaic and root rot.

For Alberta conditions, very winter hardy varieties of wheat are necessary. The most winter hardy varieties available are Kharkov 22 M.C. and Yogo. Both varieties are bearded and are about equal in yielding ability.

Fighting Is
No Picnic

Sir Sidney Rowell, an Australian general commented on troops he saw in Korea. How well they were, how well equipped and clothed. Then he asked if such a standard could be maintained, on a grand scale in a major war, particularly if opposed by an enemy continentally the cruelest scale of maintenance?

Not so very long ago, the infantryman went into battle carrying almost everything he needed on his own back — ammunition, food, blankets, weapons, first aid kit and trenching tools. It is true he also had a supply train carrying more munitions and food and equipment but for days at a time the old-time frontline troops were virtually self-sufficient.

The Chinese soldiers in Korea, and there were a million of them, pretty well followed that old rule. But not the Canadians, British and Americans. For every one of the latter actually in the fighting line behind there were up to a dozen able-bodied men and all sorts of mechanical transport haulage in tons of supplies, much of which was not at all essential.

Fighting is dirty, tragic business under the best of circumstances. But we are only prolonging it and increasing the cost in blood when we try to turn it into a picnic. It is not a picnic and we can't make it one, but in trying to we could lose a war.

MARKETS NOT LOST

JUST REFUSED

The British market has not been lost to Canada. We refuse to supply it at prices New Zealand, Australia, Denmark, Argentine and other countries will accept. World markets are refused more often than they are lost.

Marketing and production controls in both Canada and the United States have resulted in our storing enormous surpluses of food in both countries.

World buyers have been willing all along to buy our food at prices they could afford to pay. Now the consequences of our own choice to store food rather than sell it have overtaken us and we are blaming other people for our own follies.

The surplus situation has become so bad that Canada and the United States are politically unable to trade adequately with each other or with overseas nations.

The excessive cost of our food products is due largely to the wages paid in the manufacture of things farmers must buy, wages twice as high as those earned by workers in our best market.

Steady selling at world prices would have kept both our surpluses and our costs in line with reality.

LETTER UNSIGNED

We are in receipt of a letter to the editor regarding the new road east to the highway. If the writer would supply us with his or her name we would be pleased to publish same. It is not necessary that the writer's name appear in print but we must have it for our records.

POLIO SHIFTS TO OLDER GROUPS

Increase in mortality from polio is said to have been greater with advancing age, on a life insurance study.

Statisticians regard the shift toward a higher age of attack as an adverse development because the proportion of severe cases is greater and the case fatality higher at these ages.

DISTRICT NEWS**FALLEN TIMBER**

(From Our Own Correspondent)

Mr. and Mrs. C. B. Moore were visitors recently at the home of Mr. and Mrs. G. W. Hone. Mr. and Mrs. Bob Moore, Judy and Brian, were weekend visitors at the home of Mr. and Mrs. J. A. Howton. They also visited with Mr. and Mrs. E. Loughheed, Mr. and Mrs. Ollark and Mr. and Mrs. M. Eskrich.

We are sorry to hear that one of the Bob Carlyle children suffered an eye injury. We wish the youngster a speedy recovery. Gary and Monty Moore have returned to their home in Calgary after spending a month with their cousins, Danny and Jeannie Howton.

Miss Patsy Morrison is at present visiting her aunt in Brooks. Mr. and Mrs. E. Loughheed and baby were Didsbury visitors Friday. Martin Monecy visited at the home of Mr. and Mrs. Joe McCaffin recently.

The regular meeting of the Busy Bees was held at the home of Mrs. J. H. Cooper, with 14 ladies present. After the business session a draw was held, with Mrs. Rosted the winner. An auction of flower bouquets was held with Mrs. Pyten as auctioneer. Over \$7.00 was collected. A lovely lunch was served by Mrs. G. Hone and Mrs. G. Cooper.

Mrs. Myrtle Graham of Kincardine, Ont., is a visitor at the home of Mrs. J. Howton.

REDEEMER LUTHERAN CONGREGATIONAL PICNIC

The annual congregational picnic of Redeemer Lutheran Church will be held on Sunday, Aug. 16 at the Melvin Hall. The picnic will begin with a divine service at 11 a.m. at the hall. Following the service there will be a joint lunch. After lunch, races and other activities will be conducted for both young and old.

The picnic will also bring to a close another very successful Vacation Bible School. These classes have been held since Monday, Aug. 3, both in the forenoon and afternoon. They will continue until Friday Aug. 14. The average daily attendance has been well over 50 children.

They were divided into three groups: beginners and primary, taught by Mrs. E. B. Fox; juniors taught by Miss Alvina Jans, and seniors taught by Rev. E. B. Fox. A very interesting and informative course of studies on the Life of Moses is being treated.

During the Rev. Fox's recent vacation, spent with the family at Cour d'Alene, the ladies of the congregation re-varnished the floors of the church.

Rugby W.I. August Meeting

Mrs. Harvey Hosegood was hostess to 17 members and one visitor for the August meeting of Rugby W.I.

Meeting opened by singing "Drink To Me Only" and repeating the creed. Due to absence of the secretary, her place was taken by Mrs. Alex Blain.

Minutes of the June meeting were read and approved. Roll call was a bouquet of wild flowers. Mrs. O. Blain, supervisor of Rugby Girls' Club, was present and extended an invitation to all W.I. members, mothers and grandmothers to attend the next girls' club meeting at Elkton school.

The sum of \$5.00 is being sent to arthritis and rheumatism society. The 1st picnic that was to have been held in July has been postponed for this year.

Plans were discussed for the W.I. to cater to a wedding reception in August. A very interesting report was given on Farm Women's Week at Olds by Mrs. D. Hosegood. Mrs. L. Krebs was nominated for social services convener and Mrs. D. Hosegood for convener of education. The five-minute talk was given by Mrs. L. Krebs and was entitled "New York." The "bit of fun" taken by Mrs. H. Krebs was won by Mrs. Hogg and Mrs. D. Hosegood.

The tea draw was won by Mrs. A. Luft. Meeting closed by singing "God Save The Queen" followed by a delicious lunch served by the hostess.

August Meeting Westcott W.I.

The August meeting of the Westcott W.I. met at the home of Mrs. Van Wyck with Mrs. Roy Benson as hostess. The singing of O'Canada opened the meeting with 20 members and four visitors present.

The creed was repeated, followed by the roll call, answered by an antique display. The minutes of the July meeting were adopted as read.

The quilt for the W.I. conference was again discussed and a pattern was finally decided on. The correspondence consisted of a news letter from the district home economist, Miss Smith. Other business was tabled for the next meeting. It was decided to send an additional \$5 for the A.W.I. membership fund.

Three songs were sung, following which Mrs. O. Paas, delegate to Farm Women's Week at Olds, gave her report of the interesting week she spent there.

The five-minute talk given by Mrs. A. Bode and entitled "Colored Eggs" caused much merriment. Current events were reported by Mrs. S. Owens.

At the close of the meeting a lovely lunch was served by the hostess and her helpers. The next meeting will be held at the home of Mrs. G. Ford.

VEGETABLE AND FLOWER DISPLAY HERE AUG. 19

Being held in conjunction with the annual Lions Club Jamboree on Wednesday, Aug. 19, cash prizes will be given for the best display of the following:

Display of mixed vegetables: potatoes; cabbage; green peas; cauliflower; Spanish onions; turnips; carrots; beets; green beans; sweet peas; snapdragons; mixed bouquet; house plant; house plant in bloom; bundle wheat; bundle oats; bundle barley.
